SAP Enterprise Support – Next-Generation Value Maps

**Prescriptive Approach**
Structured content enables guidance, simplification, and acceleration of support offerings consumption across the whole lifecycle.

**Empowerment**
New interactive learning formats and integrated tools – including gamification, social media-based interactions, and progress tracking provide fast and engaging empowerment.

**Social Collaboration**
Social learning forums allows users to get guidance and exchange ideas, skills, and best practices with SAP Experts and their peers.

**Expert Access**
Expert-led sessions and collaboration give users a direct channel to proven and relevant advice, best practices, business insight, and technology know-how.

**Benefits of Utilizing SAP Learning Hub**
- All value maps, one platform
- Learning new skills 24x7
- Embrace innovation adoption and digital transformation
- E2E value maps support and functional experts
- Individualized, prescriptive learning journeys
- Interactive social support
- Record of learning accomplishments

SAP Enterprise Support Value Maps – an empowerment and support program, which provides direct access to SAP experts, interactive social collaboration forums, acceleration of learning and prescriptive guidance, designed to help you in adopting intelligent technologies, manage hybrid landscapes and gain agility to focus your resources on innovation. Value maps guide you through the knowledge, skills, and services needed to address your business challenges, enabling your company to lead in the experience economy.

SAP Enterprise Support Value Maps
Application Lifecycle Management Value Map

This value map will enable SAP Enterprise Support customers to setup SAP Solution Manager and use it for Application Lifecycle Management. This value map guides users on setup...
“With SAP Enterprise Support as our trusted advisor, we have safeguarded our implementation projects and maximized the use of our SAP software, while significantly reducing system response times.”

- Diana Patricia Echeverria, Head of SAP Computing Center, Gaseosas Posada Tobon S.A.

“We are always focused on innovation and business. For this reason, we followed the SAP Enterprise Support value map approach. Thanks to our advisor and the SAP GoingLive Check service, we gained high-class benefits and were able to solve some important issues.”

- Silvia Marziale, Human Resources Process Information Systems Manager, Piaggio & C. SpA
