SAP Enterprise Support – The foundation for customer success

The choice for the Intelligent Enterprise

Collaboration | Empowerment | Innovation and value realization | Mission-critical support

Proactive and preventive support

SAP Enterprise Support
The foundation for customer success
Seamless consumption of innovation | Fast value realization | Business outcomes | End-to-end optimization

Across all deployment options

Intelligent enterprise

Cloud | Digital core | Breakthrough innovations
**SAP Enterprise Support – Next-Generation Value Maps**

SAP Enterprise Support Value Maps – an empowerment and support program, which provides direct access to SAP experts, interactive social collaboration forums, acceleration of learning and prescriptive guidance, designed to help you in adopting intelligent technologies, manage hybrid landscapes and gain agility to focus your resources on innovation. Value maps guide you through the knowledge, skills, and services needed to address your business challenges, enabling your company to lead in the experience economy.

**Prescriptive Approach**
Structured content enables guidance, simplification, and acceleration of support offerings consumption across the whole lifecycle.

**Empowerment**
New interactive learning formats and integrated tools – including gamification, social media-based interactions, and progress tracking provide fast and engaging empowerment.

**Social Collaboration**
Social learning forums allows users to get guidance and exchange ideas, skills, and best practices with SAP Experts and their peers.

**Expert Access**
Expert-led sessions and collaboration give users a direct channel to proven and relevant advice, best practices, business insight, and technology know-how.

**Benefits of Utilizing SAP Learning Hub**
- All value maps, one platform
- Learning new skills 24x7
- Embrace innovation adoption and digital transformation
- Individualized, prescriptive learning journeys
- Interactive social support
- Record of learning accomplishments
- E2E value maps support and functional experts

**Powered by SAP Enterprise Support Academy**
